

## How to Make Boy Clothes

The size of your boy clothes can be whatever you want. You can make them small enough to fit your Corn Husk Doll or large enough to make Native American clothing for yourself! The legging and shirt pattern can be found at the end of this PDF.

### LEGGINGS INSTRUCTIONS

#### STEP 1

Cut the pattern out of chamois cloth or any tan fabric.

Fold according to the pattern, bringing tabs A and B together.

Stitch up the side along the Stitch Lines and then stitch the top of tabs A and B together to make a loop for the belt.

Once stitched, cut the fringe according to the pattern being careful not to cut the stitching.

#### STEP 2

For the loin cloth, cut two pieces from chamois cloth or any tan-colored cloth. You can make them any size you want.

Fold over the top edge and stitch to make a loop for the belt.

Cut a cord, rope or leather strip for the belt.

String the belt through the front loin cloth, leggings and back loin cloth, then tie.

### STEP 3

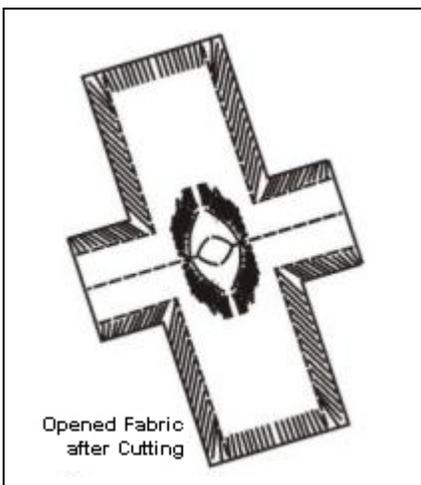

Your leggings and loincloth is now complete and should look similar to this!

## SHIRT INSTRUCTIONS

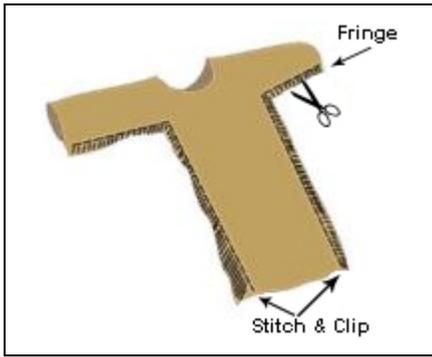

### STEP 1

After cutting out the pattern, place it on a folded piece of chamois, felt or any other tan material. Cut an open flat.

### STEP 2

Sew on fringe if you like around the neckline then sew up the sides and underarm areas.

### STEP 3

To make fringe, cut in from the edge to the stitching being careful not to cut into the sewing.

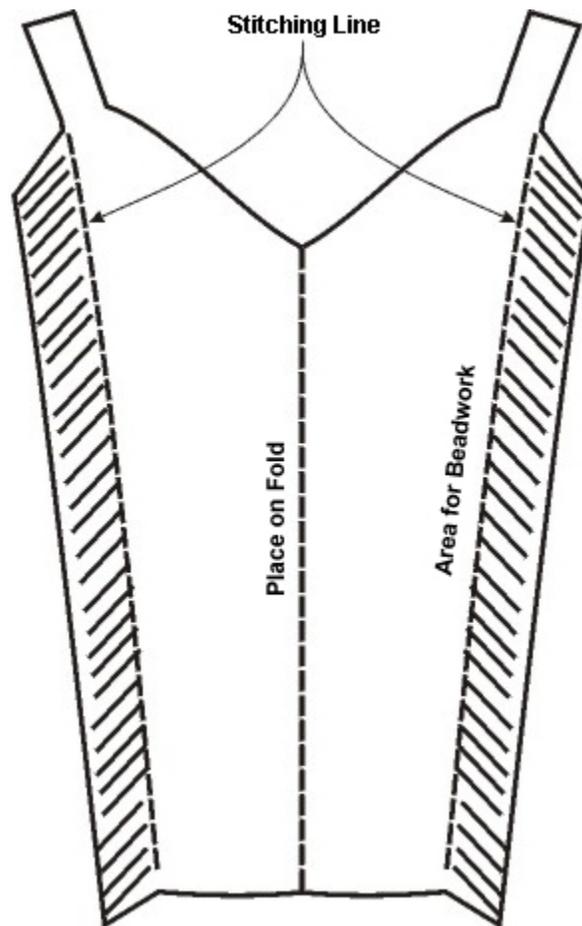

### STEP 4

Your shirt is now complete and should look similar to this!

Thank you for participating! We hope you enjoyed making your outfit as much as we did! For more games and activities, please come and visit the [Chickasaw Kids website](#) anytime!
