

How to Make Girl Clothes

The sizes of your dresses can be whatever you want. You can make them small enough to fit your Corn Husk Doll or large enough to make Native American clothing for yourself! The dress pattern can be found at the end of this PDF.

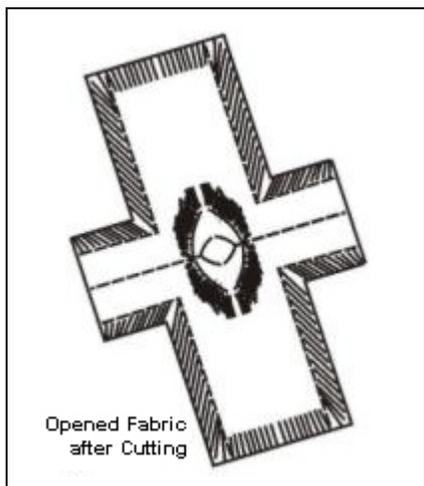

INSTRUCTIONS

Place on Fabric

STEP 1

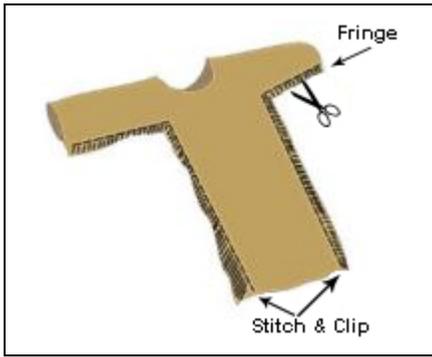

After cutting out the pattern, place it on a folded piece of chamois, felt or any other tan material. Cut an open flat.

STEP 2

Sew on beadwork if you like and then sew up the sides and underarm areas.

STEP 3

To make fringe, cut in from the edge to the stitching being careful not to cut into the sewing.

STEP 4

Sew a strip of fringe along the edge of the V-shaped beading at the neck. At the shoulders, attach 3-inch strips of fury white fabric.

The Chickasaw decoration on clothing was mainly made up of small seashells.

Your shirt is now complete and should look similar to this!

Thank you for participating! We hope you enjoyed making your dress as much as we did! For more games and activities, please come and visit the [Chickasaw Kids website](#) anytime!
